

Impact Report

A MESSAGE FROM OUR EXECUTIVE DIRECTOR

Thank you for your continued support of Mamie's Poppy Plates. We may have turned over a new year on the calendar, but our mission remains the same - to provide compassion, comfort, and a community for grieving families. With your help, Mamie's gifted 1,749 plates in 2022. While that number is heartbreaking in itself, it's also comforting to know we have been able to reach that many families across the United States. As we look forward to a new year, we are thrilled with the opportunities ahead of us. We have been working to move our plate hospital orders online and hope to be completely online by the end of the year. Besides continued growth in plate numbers and donations, we hope to be able to expand our volunteer opportunities as we love bringing people together and building community. We're excited about our upcoming Poppy Party - A Remembrance Celebration. Our only fundraising event is being moved to Wildwood Park for the Arts to provide a serene and memorable experience honoring the babies and children no longer with us.

This Impact Report would not be possible without our donors, supporters, volunteers and hospital partners. You are truly helping to make a difference in the lives of others. We appreciate you and could not do this without you.

Gratefully,
Rebecca
